MYCITI STATIONS PRE-CONSTRUCTION

AZ BERMAN DRIVE, MITCHELLS PLAIN

The City of Cape Town is constructing a new MyCiTi station at the intersection of Sesame Street and AZ Berman Drive as part of its ongoing commitment to delivering world class public transport infrastructure. The new station is designed to enhance the commuter experience by improving accessibility, safety, comfort, and overall operational efficiency.

Join an information session to find out more about project details and timelines.

What to expect:

- Diagrams will be on display showing construction plans
- Project team members will be available to engage directly with residents
- This will not involve a formal presentation, so you are welcome to arrive at any time during the scheduled time slot

Date: Thursday 3 September 2026

Time: 15:00 – 17:00

Venue: Living Stones Assembly of God, Corner of Sesame Street and AZ Berman Drive, Mitchells Plain
